

What is the Participant Center?

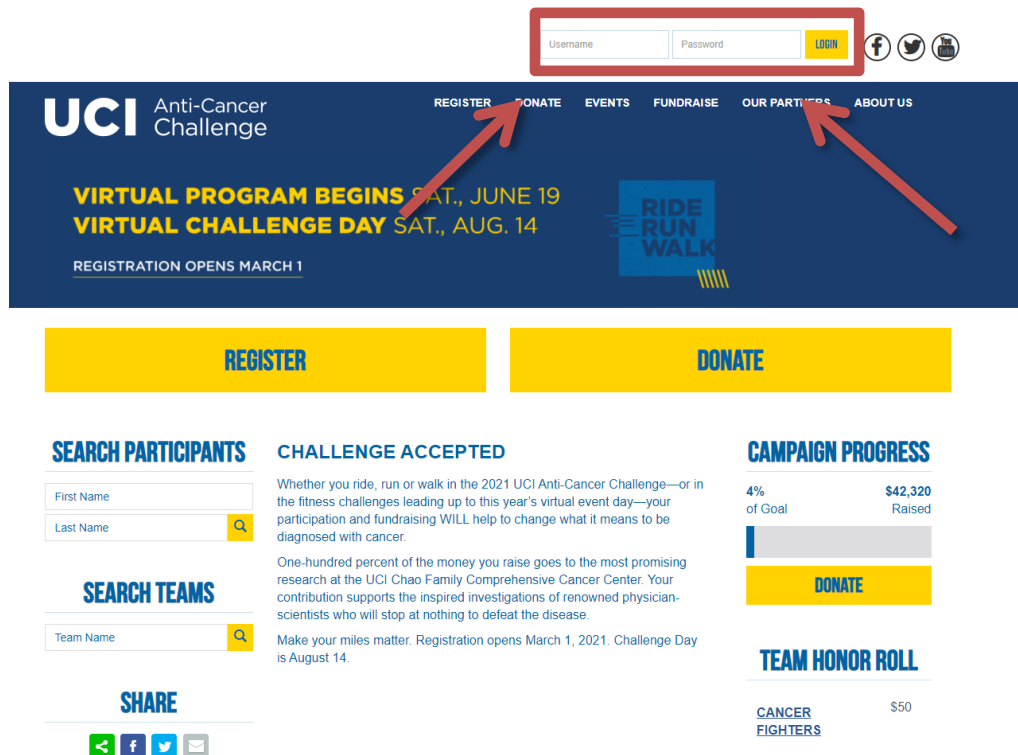

The Participant Center is the online portal where you can check your fundraising progress, send email solicitations and update your Personal Fundraising Web Page.

On your Personal Fundraising Web Page, you can share your personal story, add a photo or a link to a YouTube video, and even add a blog. Then, you can share your webpage address with family and friends asking them to join you at the event or support your fundraising effort through a generous gift. For our team captains, the Participant Center is a great place to send encouragement to your team members by emailing them reminder emails and best practices as the event date draws closer.

Make your miles matter. Registration opens March 1, 2021. Challenge Day is August 14.

ARE YOU READY TO END CANCER?

I joined the Anti-Cancer Challenge because I believe together we can create a cancer-free world. Please join me in the fight against cancer in one of two ways:

1. Make a fast, easy, and safe tax-deductible donation to help me meet my fundraising goal. One-hundred percent of participant proceeds go directly to life-saving cancer research at the UCI Chao Family Comprehensive Cancer Center. Every gift - no matter the size - makes an impact on the cancer fight.
2. Join my team to ride, run, walk, volunteer and celebrate on Challenge Day. Together, we stop at nothing to end cancer. Are you ready to rise to the challenge and put cancer behind us? Join me!
